Vestry Key Messages

- Immanuel suffered another deficit in the month of April of about \$4,000.00. This brings our year-to-date deficit to just over \$24,000.00. With the exception of insurance costs, our expenses are as expected, but parishioner giving continues to be lower than expected. This situation is not sustainable, and vestry welcomes your thoughts on how we can turn this around.
- Susan MacPhail has agreed to lead a review of our Mission Action Plan. If you are interested in helping with this important work, please let Susan know.
- Richard Simpson and Bryan Sigurdson have agreed to co-lead a Stewardship group for this year. The focus will be on our finances for now. If you are interested in helping out, please speak with either Richard or Bryan.
- Vestry approved special funding requests for:
 - Re-leveling the sidewalk leading to both the parking lot and front doors
 - The project to purchase and fill 30 backpacks and donate them to two Regina schools in need.
 - The purchase of on-line content from a Children's Ministry Summit so that all interested in Children's Ministry can view the sessions as time allows.
 - A replacement for the microwave in the kitchen which has been damaged.
 - Note that we won't use funds from our normal operations for these items. We have designated funds set aside for things such as mission and outreach, buildings, etc.
- Vestry also approved subsidizing one or more parishioners to attend the National Worship Conference being held in Regina in July – up to \$1,000.00. If you are interested, please speak to Rod Ashley.
