

December Spotlight

For December, we are introducing Tomiwa Adewumi – better known as Tomi – for our spotlight feature. Tomi emigrated to Canada from Lagos, Nigeria three and a half years ago. He was accepted into a diploma program in Health Sciences at the University of Regina, which he completed. He found that Health Sciences was not for him, so he switched to a Master program in Public Administration which he is now working on.

Like so many of our parishioners, Tomi is involved in many areas at Immanuel. He has been a member of Vestry for two years, and plans to run again for a third term. He helps out in the sound booth for worship services – working the sound, the cameras, or the pro-presenter (which displays the service on the screens). He helps set up tables and chairs when needed in the hall; he is a member of the welcoming committee; he is working on developing a young adults' program for Immanuel; last year he helped organize the winter clothing drive for students at the university.

Tomi believes that everyone should find a way to be involved in church activities. He encourages people to think about joining a committee, or lending a helping hand when needed. The rewards are reaped by both the donor and the recipient.

Outside of church involvement, Tomi plays soccer in the summer, and enjoys watching soccer and football in the winter, as well as console gaming. We are fortunate to have Tomi with us at Immanuel and thank him for his active participation.
