

# Immanuel Parish Ash Wednesday All Ages Service February 17, 2021 (virtual service)

## Greetings in the name of the Lord Jesus Christ.

This year we will celebrate Ash Wednesday virtually. Another All Ages Service is being offered to help you start your Lenten journey. The video will be available on the Immanuel YouTube channel on **February 17 @ 1 pm.**

### WHO IS THIS SERVICE FOR?

- ❖ This service is for all ages.
- ❖ These are uncertain, tiring and trying times. Humanity is suffering. We hope this service will remind you that when Jesus is in our lives, our suffering becomes purposeful and more meaningful. Faith in the Triune God always gives us the right perspective of how to live during tough times.
- ❖ **Please join us.** It's a great way for a family to learn what Ash Wednesday means and the importance of this day in our faith journey.

### WHAT YOU NEED:

Here is a **materials list** for the service. An adult should be present to help with the activities.

- Candle
- Lighter
- Bowl
- Jug of water
- Pepper mill or shaker
- Dish soap or liquid hand soap.

**We hope God's blessings be upon you and your family as we end the Epiphany season and begin the season of Lent with our Ash Wednesday Service.**
