

## Saturday Bag Lunches at First Baptist Church

First Baptist Church has been hosting downtown bagged lunches on Saturdays for more than a year. Each week, from 40 to 100 people come and pick up a lunch for their household. Churches from across Regina have signed up and have been taking turns preparing and serving these lunches: United, Catholic, Anglican, Baptist, and more. These have been relaxed, good times of doing something meaningful together.

Immanuel Anglican participated on August 26th, 2022, with sandwiches prepared by the Vacation Bible School children. Our next hosting event will be on January 14, 2023, with sandwiches being prepared by a group of grades 5 – 8 children in our new tweens program.
